

The Social Enterprise World Forum (SEWF)

The SEWF is the leading forum for international exchange and collaboration in social entrepreneurship and social investment. It is the main platform for learning, sharing of good practice, ideas and creating partnerships for the social enterprise sector.

SEWF Addis: 23 - 25 October 2019

The British Council is proud to host the SEWF in **Addis Ababa on 23-25 October 2019**. This event is expected to attract up to 1,200 social enterprise leaders, policy makers, development partners, private sector representatives, academics, practitioners and supporters from all around the world.

The SEWF will bring together stakeholders from Ethiopia, wider Africa, the UK and around the world. The SEWF 2019 is expected to be attended by delegates from over 40 countries and will comprise conference sessions, networking events and social functions.

Unique and Vibrant Experience

The SEWF 2019 will act as a platform to showcase and celebrate successful social enterprises in the world. It will connect people across Africa and the world, between advanced and developing economies. Delegates will also enjoy a rich, authentic Ethiopian experience, with opportunities to attend side events, dinners and cultural performances and study tours, including to world renowned cultural heritage sites.
